### TYPHOON EXPLORATION INC : WEBSITE UPDATED

---

Laval, Canada, February 9, 2010 – **Typhoon Exploration** is pleased to announce that during the past year, it produced a major compilation of all works carried out since 1946 on the Fayolle property (owned 100% by Typhoon). **The compilation allowed us to favourably target areas of the property including a 2.5km long by 1km wide probability zone of discovery, all while remaining open at depth.**

The Company sees the year 2010 as one of the most promising to date, with the primary objective of building its resources. Typhoon's team and its consultants; Geologica Groupe-Conseil, EarthMetrix, Diagnos, Gescad, URSTM and Explo Lab inc. are already in the planning phase of an expanded drilling campaign. Foreseen are strategic acquisitions and/or partnerships which will increase the value of its shareholders' investments.

We have completed the update of our website, which is now online at [www.typhoonexploration.com](http://www.typhoonexploration.com).

*Key modifications:*

- New platform developed to facilitate site navigation
- Corporate video updated
- Interviews added which introduce you to Typhoon
- Power Point presentation updated
- Quickly-accessible press release and financial statement sections (including archives)

Mr. Robert Gagnon, P. Geo., Technical Advisor, a Qualified Person as defined by National Instrument 43-101, supervised the preparation of the information in this news release.

**The common shares of Typhoon Exploration are listed on the Venture Stock Exchange under the symbol "TYP".**
